

MINNESOTA EROSION CONTROL ASSOCIATION PRESENTS:
**“Managing Risk During Construction: Practical Tips for Reducing
Erosion and the Potential for Enforcement”**

Thursday March 11, 2010 during the MECA conference

**Holiday Inn & Suites
Division Street & 37th Ave.
St. Cloud, MN**

**12:30 p.m. – 4:15 p.m. Training (12:15 p.m. registration)
Trade Show Pass and Afternoon Refreshments Included***

Please register no later than one week prior to event.

- *Are your projects catching the unwanted attention of the inspectors?*
- *Unsure how to stay out of the limelight?*
- *Questioning when you really need a permit?*
- *Wondering where to go in central Minnesota for erosion control supplies and advice?*
- *Want some practical tips on how to maintain your erosion control throughout the project?*
- *Want some practice looking at sites and figuring out how to handle erosion control in a better way?*
- *Interested in attending the largest erosion and sediment control trade show in the Midwest.*

Join us for a friendly discussion on how to stay out of erosion control trouble and keep your project moving ahead smoothly. Hear presentations by the MECA Staff, Minnesota Pollution Control Agency inspectors and other erosion and sediment control and stormwater management experts. Take home the Construction Stormwater Permit, blank permit forms, storm water pollution prevention plan (SWPPP) templates and other useful tools.

***does NOT include attendance of any general conference sessions, Industrial Permit session, or lunch**
