

MS4 Permit Workshop

Covering Minimum Control Measures (Except #5)

This workshop qualifies as a way to meet the IDDE Field Staff training requirement for Part III.D.6g(2), in illicit discharge recognition and reporting illicit discharges for future investigation.

You will receive a certificate of completion for this workshop.

The Minnesota Erosion Control Association (MECA) in partnership with the MPCA is offering this MS4 outreach/educational workshop in five locations!

Vadnais Heights MN—August 19, 2014
St. Cloud, MN—October 9, 2014
Mankato, MN—December 2, 2014

Detroit Lakes, MN—September 23, 2014
St. Paul, MN—November 13, 2014

Note: This workshop will also be offered in Duluth MN at the MECA Conference in March 2015.

Fee Includes: Breaks, lunch, education & networking!
